Top Chicago law officer talks on race problem, police officer's role in handling race incidents, interview with Sheriff Joseph D Lohman, N 29 p 72-78

LAWRENCE, DAVID
"Good Behavior" of Judges—Who Defines It? Constitution provides not "life tenure" for Supreme Court Justices but "during good behavior", phrase indicates continuing jurisdiction by Pres, Cong can provide by law method of determining whether official conduct of Justices complies with meaning of "good behavior," Jl 5 p 104
Depression—The Only Cure?, inflation spiral continues as purchasing power of dollar drops, biggest single influence in fixing of prices, natl labor unions, goes unrestrained, nobody wants wage, price control by Govt, alternative seems to be inevitable depression, Jl 12 p 128
"Civil Rights" That Breed "Civil Wrongs", Congressional proposals in name of "civil rights", recent Supreme Court decisions making mockery of written Constitution, establishment of judicial oligarchy, federal despotism is not way to assure "civil rights", but to inflict more "civil wrongs", Jl 19 p 132

LAWRENCE, DAVID—Contd.
Why Not "Freedom of Association" For Everybody? Supreme Court has added to Bill of Rights new phrase, "political belief and association", does this protection for Communists, subversives extend to loyal Amers with respect to joining labor unions, education? Jl 26 p 132
Editorial by Thomas Jefferson, Jefferson's criticisms of Supreme Court constitute as timely editorial expression as when they were first penned (excerpts from letters of Thomas Jefferson) Ag 2 p 112
Editorial by Abraham Lincoln, views of Lincoln with particular reference to right to criticize Supreme Court, right, duty to urge reversal of decisions, timely editorial expression on recent Supreme Court decisions (excerpts from Lincoln speeches) Ag 9 p 120
Editorial by Franklin D Roosevelt, FDR's expressions constitute "editorial" that could be written today, in support of rights of criticism of judiciary, to prove that public opinion does have its effect on decisions of Court (excerpts from Roosevelt speech, writings) Ag 16 p 140
Pride of Color, words "inferiority", "inequality" heard frequently, few references to pride of color, pride of race, we know too little of cultures of other peoples, color can be badge of distinction, Ag 23 p 132
What "Doctrine" Now? UN should meet new Soviet violation of sovereignty in Syria, as it did in Korea, by organized resistance, country after country being taken over by Soviets as prelude to attempt at conquest of whole Middle East, Ag 30 p 108
Editorial by William E Borah, speech nearly 20 yrs ago by leading liberal of century, opposing "anti-lynching" bill, would apply equally to present "civil rights" legislation (excerpts from speech by Sen Borah), S 6 p 136, 135
Which "Constitution"?, Pres's telegram to Gov of Arkansas appears to be ill-advised statement, question raised as to whether 14th Amendment is valid part of Constitution, what provisions give to Federal Courts right to control, regulate schools, are Govs, State Legislatures now to be puppets, with use of Natl Guard subject to consent of Federal dictatorship? S 13 p 128
"Thou Shalt Not Feel Inferior!" Supreme Court "desegregation" decision of 1954 sets up intangible factor of "inferiority" in defining "equal educational facilities", reflects on Negro in implying that he can become educated only if white students are at his side in classrooms, S 20 p 156
There Is No "Fourteenth Amendment"! 14th Amendment never legally ratified, record of history is that Southern States were coerced to "ratify" amendment rejected under normal processes of civil law, not too late to correct injustice, give people right to pass on amendment that sets forth right of Federal Govt to control education in States, S 27 p 140, 139
Illegality Breeds Illegality, sending of Federal troops to Little Rock violates rights of States guaranteed by Constitution, nothing in Constitution gives Pres right to use military power as he chooses, usual procedures of enforcing court orders disregarded, O 4 p 144, 143
Voice of Reason, real tragedy of Little Rock was in assuming only force of Federal troops could settle local disturbances without giving the usual "civil processes" chance to secure compliance with court order, not too late to return to normal legal procedures of law enforcement, O 11 p 144
Coming Down to Earth, with Soviet launching of satellite many persons seized by hysterical terror, no real value in earth satellites as such, true significance is that people become more important than dictators, prospect of revolution in USSR may have been advanced, peace will come only through rise of free peoples against dictatorship, O 18 p 160
Time for Courage, Soviets impress world with launching of satellite, at same time threaten new war in Middle East, now is time to call Kremlin's bluff, Dulles gives needed warning to Moscow that U S, allies will defend Turkey if it is attacked, O 25 p 160

LAWRENCE, DAVID—Contd.
Chain of Errors, Evil Consequences, retired Federal judge traces series of errors going back to sin of slavery that culminated in error of Pres's sending Federal troops to Little Rock, N 1 p 124
"Unwritten Constitution"? nine men on Supreme Court rewriting Constitution, legislating, check is needed on usurpation of power by judiciary, amendment to Constitution could provide that decisions of Court shall be subject to review by two-thirds majority of Cong, N 8 p 136
Only Answer? Pres's speech reassures Amer people on Amer military strength, we mobilize best brains in scientific world to meet Soviet menace, but what "missiles of information" have been invented to reach people of Soviet Russia, with whom lies the only answer to threat of another world war? N 15 p 176
Need for Cabinet Govt, Presidency is superhuman task, reforms needed to separate Cabinet officers from administrative work of depts, giving them policy-making function, to form within Cabinet Presidential Council to meet daily with Pres on questions pressing for decision, N 22 p 148
Unnecessary "Recession", too much reliance being placed on governmental devices to help us out of economic difficulties, abuses of labor-union power causing present maladjustment, when will monopoly of organized labor be tackled by Cong? N 29 p 116
"Amer Prestige" Abroad, instead of criticism from abroad, demands for Eisenhower's resignation, Amer's prestige should stand at highest in history on basis of Amer's attainments, spirit of idealism, unselfishness in which it has been willing to share with other nations, D 6 p 136
Defense Against What? in absence of ironclad disarmament agreement, free world will be compelled to be ready to intercept "first blow", deliver own "first blow" when it is clear that enemy mobilization has reached danger point, D 13 p 120
Only 19 Mos Ago, as NATO conference meets in Paris, we hope to see fruition of great ideal of strengthened union of free peoples, foundations laid 19 mos ago, as described in editorial of May 18, 1956, reprinted here, D 20 p 120
